January 2015 | ISSUE No. 1

RIDE ON!

Be the first to see the new Java Cushion!

Avoid the crowds at the International Seating Symposium (ISS)
Visit us early and find out about the exciting new Java Cushion... When booking your travel, remember that the Exhibit Hall will be open (and uncrowded) all day during pre-conference on Wednesday, February 25, 2015 from 9am to 7pm. **ISS Ride Designs Booth 424**

You'll be amazed by the research supporting the merits of the lightweight and adjustable Java Cushion. Be sure to stop by and check it out!

Updated Fit and Function Guarantee for Custom products, effective 1/1/15.

Details here: **Revised Fit and Function Guarantee/Return Policy**

New year...new resource

Customer Service Supervisor
Ryan Crosby is a self-proclaimed wheelchair and seating 'geek' who is thrilled to be a part of the Aspen Seating and Ride Designs family. A certified Assistive Technology

Professional (ATP) through the Rehabilitation Engineering and Assistive Technology Society of North America (RESNA), his work history includes purchasing manager and shop assistant manager for Adaptive Equipment Company, (former subsidiary of Craig Hospital in Englewood, Colorado); production manager for custom seating company BioDynamics in Plainview, NY; and ATP/Wheelchair technical specialist with the Denver Department of Veteran Affairs. Ryan has also been a collaborative presenter at the International Seating Symposium. As an avid outdoorsman, Ryan volunteer Ski Patrols at Ski Granby Ranch in the winters and loves to 4-wheel in the beautiful Colorado mountains in summer. In his free time he enjoys playing guitar, cheering for the Denver Broncos and spending time with family.
