

December 2020

**Ride On!**

## Thank you for your unwavering support this year

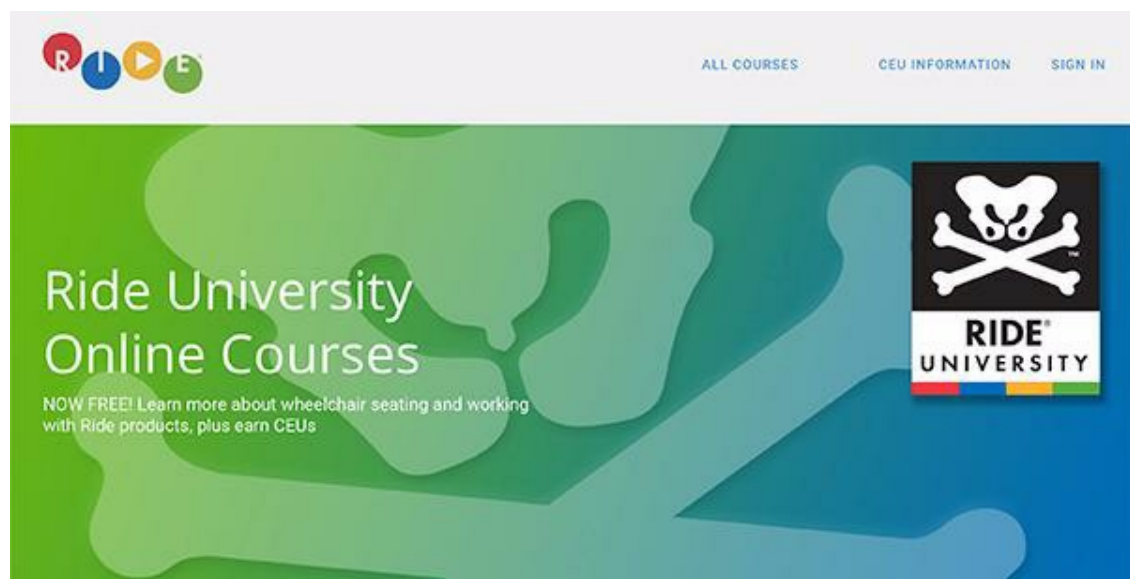

All of us at Ride Designs truly appreciate your ongoing friendship, collaboration, and business -- we wish you a sweet holiday season!

### Have an order in the pipeline?

- Standard products ship within 2 business days of order.
- Ride Custom products are currently shipping within 12 business days of order.
- Due to increased online shopping, our shipping partners may be delayed.

### 'Tis the season

Our offices will be closed on December 18 (from 1:30pm MST on) and all day on December 24, 25 and January 1 for holiday celebrations.

## Need CEUs? Take advantage of free courses

Learn more about wheelchair seating and Ride products at your own convenience . Courses on Ride University's [online education platform](#) are free.

## Planning for the New Year?

# 2021 Custom Certification Courses

Registration is now open for courses scheduled for March 18-19, April 29-30 and May 20-21 [here](#). Attendance at courses is very limited to allow for social distancing. All possible safety precautions (per CDC and Colorado Health Department

recommendations) are being taken. More dates for 2021 will be announced soon.

## Understanding the Custom AccuSoft Cushion's contour options

The Ride Custom AccuSoft Cushion is offered with a choice of contour options: Full Contact and Ride Contour.

These contour options have generated some questions so we wanted to highlight the difference between the two... perhaps most readily understood by seeing side-by-side photographs.

Check out our recent [blog post](#) for more images, including pressure maps.
