

**We want everyone to take their seat at the table this holiday season... no matter how distanced we may be!**

Ride Custom products are currently shipping within 12 business days of order, however due to increased online shopping, our shipping partners may be delayed. Please submit year-end orders as soon as possible!

## **Understanding the Custom AccuSoft Cushion's contour options**

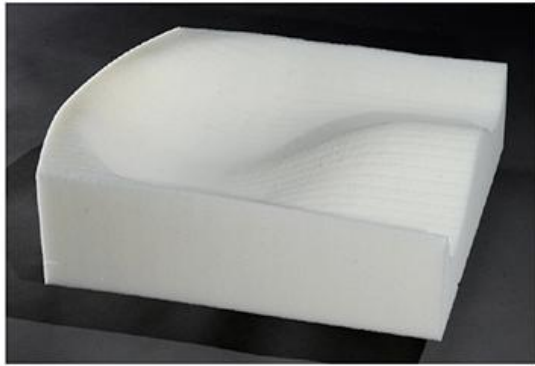

The Ride Custom AccuSoft Cushion is offered with a choice of contour options: Full Contact and Ride Contour.

These contour options have generated some questions so we wanted to highlight the difference between the two... perhaps most readily understood by seeing side-by-side photographs.

Check out our recent [blog post](#) for more images, including pressure maps.

## Full Contact option ▼

## Ride Contour option ▼

(made from same shape as seen at left, except with Ride Contour option applied)

## We're grateful...

We truly appreciate the pro-active way in which you all have extended yourselves to specify and provide seating solutions during this really challenging time. Thank you for your ongoing friendship, collaboration, and business.

## Need CEUs? Take advantage of free courses

Learn more about wheelchair seating and Ride products at your own convenience. Courses on Ride University's [online education platform](#), are free through December 31, 2020.

Thank you for reading!
