Denver International Airport is roughly 45 minutes to one hour from the Ride Designs office. Recommended lodging options are listed below.

Be sure to ask for the “Ride Designs/Aspen Seating Rate” when booking your room! All of the hotels offer a free shuttle that will bring you to and from our office and hotel each day.

At this time, the hotels don’t offer free shuttle service to/from the airport. However, we have included a list of all rental car and shuttle companies that operate out of DIA (Denver International Airport). There is also some information on the A-Line train service.

We will provide a light continental breakfast, lunch, and snacks each day of the course. On Thursday evening we will host a catered dinner at our facility. The course starts at 8:00 am and ends no later than 5:00 pm on Thursday with dinner following and we will wrap up by 3:30 pm on Friday.

Please feel free to contact us with any questions or concerns!
